# STONE & FLECK POWERDEK™

**HIGH IMPACT ATHLETIC SURFACE**

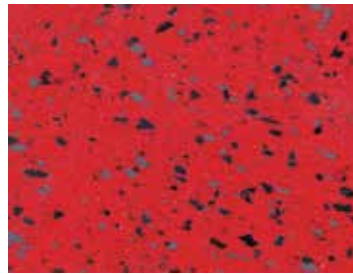

Connor Sports • 800.283.9522 • info@connorsports.com • connorsports.com/traction

High performance rubber athletic surface is ideal for high impact and heavy traffic.

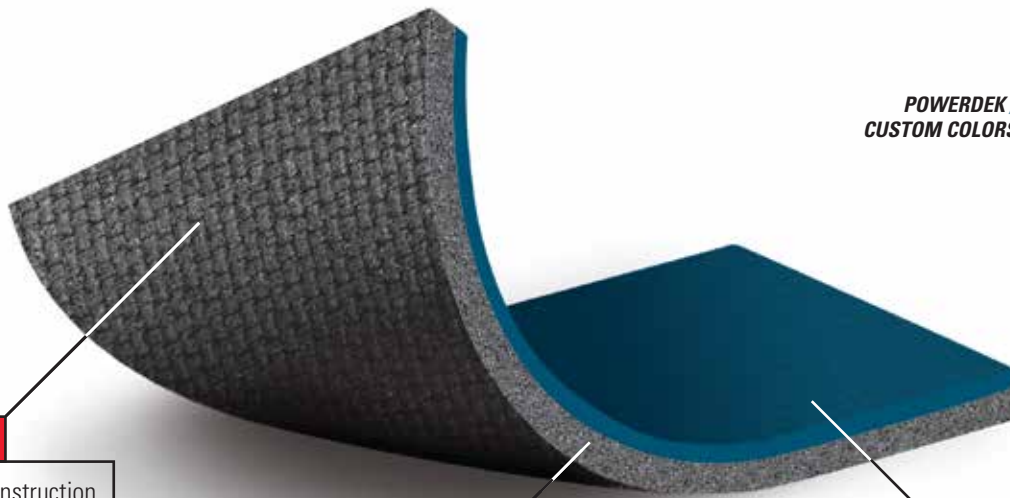

Woven bottom layer design resists moisture and indentation.

PowerDek Fleck: Non-porous, anti-microbial design resists bacteria and odors.

PowerDek Stone: Virgin rubber top layer offers brilliant colors that last.

**POWERDEK / BLUE PS-21  
CUSTOM COLORS AVAILABLE**

### BASE LAYER

Dual Durometer Construction Provides Outstanding Force Reduction and Safety.

### CORE LAYER

Core Layer Disperses Impact, Virtually Eliminating "Bottoming Out."

### TEXTURE LAYER

Heavy Duty Stone Textured Surface Designed for High Impact Weight Room Traffic.

### THICKNESS

PowerDek High Impact Athletic Surfaces are Available in 6, 8 and 10mm.
